We are officially halfway through the summer CSA season! Unfortunately, the lack of rain has really stunted the growth of many of our crops. We are praying for more rain the second half of the season.

Recipe Corner: Collard Greens with Bacon

This recipe does not have exact measurements.

Chop 1/2 pound of thick sliced bacon and render down on medium heat. Remove bacon from the pan.

Chop up a bunch of any type of hardy green—bok choy, collards, swiss chard, etc.

Sauté the greens in the bacon fat for 5 minutes. Add about 1 cup of fresh apple cider, 1 Tbs. sugar, and 1 Tbs. apple cider vinegar. Add bacon back into the pan. Cover and turn down heat to low. Simmer for 30 minutes to 1 hour.
