Apples

Fresh-Pressed Apple Cider

Greens

2 cups apples (peeled and sliced)

1/2 cup water or fresh cider (Varies depending on the type of apples)

Sugar & cinnamon to taste

Directions:
Peel and slice apples.

Put them in a saucepan and add water. Cover and simmer over medium/low heat for 20 minutes. Check on the apples every 5 minutes to make sure they have enough water and do not burn.

Once the apples are soft, take them off the heat and mash with fork, potato masher or put in the blender.
