Farmstand Post

CSA Season 14 | Issue 05 | July 10/11, 2026

We hope that everyone had a great Fourth of July! We enjoyed time with family and friends even though we were hit with some pretty intense storms in the evening. We've had lots of rain and wind on the farm this week. Everything is growing well and enjoying the water after a very hot previous week.

Corn is coming soon! It is looking good and will hopefully be ready in the next week or so.

This Week's Highlight: Radicchio

Radicchio is a beautiful leafy vegetable with crisp, tender leaves splashed in shades of green and burgundy. A member of the chicory family, it has a pleasantly bitter flavor that becomes milder and slightly sweet when grilled, roasted, or sautéed. It can also be enjoyed fresh in salads, adding a pop of color, texture, and a unique flavor. Radicchio is rich in antioxidants, vitamin K, and fiber, making it as nutritious as it is beautiful.
